

PRESS RELEASE – FOR IMMEDIATE DISTRIBUTION

Monarch Announces Fellowship of Chamber of Railway Industries Conferred on Mr Santosh Desai-Sarkar

Mumbai, 10 July 2026 — Monarch Surveyors and Engineering Consultants Ltd. is proud to announce that our Technical Director of Transportation, Mr Santosh Desai-Sarkar, has been conferred the Fellow Member (FRCI) of the Chamber of Railway Industries (Rail Chamber). The fellowship recognises Mr Desai-Sarkar’s sustained professional contributions to railway infrastructure, engineering surveys and the adoption of technology-driven solutions in the rail sector.

At Monarch, he focuses on:

- Advanced surveying technologies: LiDAR, drone surveying, mobile mapping and GEDO trolley solutions.
- Final Location Surveys (FLS) and Detailed Project Reports (DPR) for rail alignments and civil works.
- Digital Twin and Building Information Modelling (BIM) for railway infrastructure lifecycle management.
- Geospatial engineering and asset mapping to improve maintenance and decision-making.
- Sustainable, technology-driven approaches that reduce risk, cost and project timelines.

“This Fellowship is an honour that I accept on behalf of the Team Monarch,” said Mr Desai. “It recognises years of collaborative effort to modernise rail infrastructure through precise surveying, digital engineering, and sustainable practices. We will keep pushing the boundaries of what surveying and geospatial engineering can deliver for safer, smarter railways.”

The FRCI award acknowledges Mr Desai-Sarkar’s leadership in delivering advanced surveying and engineering services that support project planning, execution and asset management across rail projects. It highlights Monarch’s practical work in integrating new technologies with traditional engineering disciplines to improve accuracy, speed and project outcomes.

Monarch extends gratitude to the Chamber of Railway Industries for this recognition, and thanks clients, partners, mentors and the company’s project teams whose expertise and dedication have been pivotal to these achievements.
